2024 Annual Conference – Coming Soon

I am so excited to let you all know that plans are well underway for the next Suffolk TA Network Annual Conference, which will have a focus on dyslexia and dyscalculia. More information will be released soon, but please keep Wednesday 16th October 2024 free in your diary.

As we are in the process of designing the programme for the day, it would be lovely to hear from you with any ideas for workshops or talks you would like to see at the conference. Please email me abigail.joachim@atrust.org.uk with any ideas and we will see if we can incorporate them into this year's offer.

Also, if you have any resource or books that you would recommend around dyslexia and dyscalculia, please see our Resource Review section on page 10 for more information on how to share with the network.

Suffolk SEU Staff Networking Group

- Do you work for a Specialist Unit (SEU) in a Suffolk school?
- Would you like the opportunity to network with staff from other SEUs?

If the answer to these questions is 'yes', we invite you to join the Suffolk SEU Staff Networking Group to share your experiences and ideas with colleagues from across the county.

We have listened to feedback and have moved the network sessions from Thursdays to Tuesdays and have created a mixture of remote and face-to-face opportunities.

~~Tuesday 21st November 2023 – 15.30-16.30 – via TEAMS~~

~~Tuesday 13th February 2024 – 15.45-16.45 – face-to-face at Sidegate Primary School, Sidegate Lane, Ipswich, IP4 4JD~~

~~Tuesday 19th March 2024 – 15.30-16.30 – via TEAMS~~

~~Tuesday 21st May 2024 – 15.45-16.45 – face-to-face – location TBC~~

~~Tuesday 2nd July 2024 – 15.30-16.30 – via TEAMS~~

All sessions are open to teachers and teaching assistants and refreshments will be provided at face-to-face sessions. There will be the opportunity to attend face-to-face sessions remotely via TEAMS, if needed.

To book a place at any of these sessions, please email abigail.joachim@attrust.org.uk

Free Training Opportunity

SOS+ plus brings together Signs of Safety, Trauma Informed and Restorative values and practices
The approach provides:

- ✓ A set of key principles that we aspire to use
- ✓ An overarching comprehensive framework for conversation, assessment, thinking and analysis
- ✓ Practices to support working WITH people and others who are important to them

With the aim to:

- ✓ Realise and acknowledge that peoples lived experiences play a part in how they respond, engage and function.
- ✓ Respond in a way to support recovery and restore functioning.
- ✓ Apply a solution-oriented approach to move towards agreed safe solutions.

We would like to invite you to a series of 4 Free Workshops to gain an understanding of the tools and techniques associated with the approach.

Suffolk Inclusion Toolkit TA Training

Essential SENCO Toolkit - Judith Carter

Judith Carter is a registered Educational Psychologist (EP,) Author and Director of Willow Tree Learning. She has worked as a Senior Specialist EP (Inclusion & Autism) in Essex, Norfolk and Suffolk, and was a Senior Adviser for Inclusion & SEN-D working in school improvement. She trained as an Ofsted inspector and is a Tutor on the National Award for SEN Co-ordination working with Eastern Partnership.

Judith is the author of “SEND Assessment: A strengths-based Framework for Learners with SEND” and “SEND Intervention: Planning Provision with Purpose” both published by Routledge Speechmark as part of the Essential SENCO Toolkit series. Judith hosts the Essential SENCO Network and provides bespoke training on SEND. She believes passionately in inclusion and education for all and works directly with Staff, children, young people and their families to promote participation and learning.

The Suffolk Inclusion Toolkit brings together a suite of assessment and intervention tools to support education setting staff to deliver a graduated approach to meeting the needs of children and young people with SEND. Tools include Valuing SEND, the Essential SENCO toolkit, and the Educational Psychology Analysis of Additional Needs Tool (AANT).

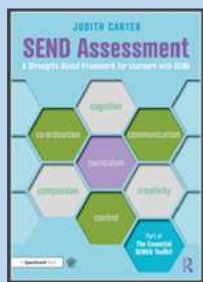

SENDCos across Suffolk have been introduced to the work of Judith Carter through the Suffolk County Council Essential SENCO Toolkit training sessions. To support the embedding of this toolkit in Suffolk schools, Judith Carter will be delivering a [series of follow-on sessions over the spring and summer terms](#), which you are also very welcome to attend, please do join them. Booking arrangements will be sent out to members once they are confirmed.

The Suffolk TA Network is working with Suffolk County Council and Judith Carter to bring you two sessions specific to pupil-facing support staff to develop your awareness and understanding of the Essential SENCO Toolkit.

Please see **page 5** for full details of these sessions, which will be delivered online, and for information about expressing an interest in attending.

Session one – An introduction to the 7 CS

The 7 Cs Learning Portfolio is a language of SEND assessment. It can be used to identify strengths and areas for development and help to plan SEN Support for those identified as requiring it. TAs will be introduced to the 7 Cs Learning Portfolio and its strengths-based approach and have time to consider how this can be integrated into their work with children and young people.

Tuesday 5th March 13.30-14.30 or Tuesday 26th March 16.30-17.30

Session two – The 4 Functions of Learning Support

The 4 functions of learning support is a framework to aid the deployment of TA time. TAs make a valuable contribution to teaching and learning and offer ongoing support for learners with SEND but sometimes this is defined as 'helping,' which does not in itself capture the significance of the role. Instead, defining TA time as mediation, reinforcement of a skill or learning behaviour, assessment or intervention enables greater clarity and accountability of impact. TAs will be introduced to the 4 functions and have time to reflect on the relevance to their role.

Monday 20th May 13.30-14.30 or Wednesday 22nd May 16.30-17.30

Please register your interest by emailing

abigail.joachim@attrust.org.uk

Communication & Interaction Specialist Network

We are very excited to continue working with the [Suffolk County Council Communication & Interaction \(C&I\) service](#) to offer a specialist networking opportunity for teaching assistants who have a particular interest in communication & interaction needs, and supporting children and young people with a diagnosis or traits of autism including:

- Difficulties with social communication and making or maintaining friendships
- Understanding and regulating emotions
- Difficulties around inflexible thinking
- Difficulties communicating effectively with others

Each half-termly session will have an overall theme, but with a flexible approach to meet your needs and will be supported by a specialist from the C&I service.

The first half of each session will be dedicated to theme-specific input, including resource recommendations, updates, strategies, signposting to training etc.

The second half will then be available for professional networking, where you can share strategies and ideas with colleagues from other schools in Suffolk.

Inclusion Support Line

Open to education setting staff, the [Inclusion Support Line](#) is open Mondays to Fridays, 9am - 5pm.

It is designed for general enquiries or 'quick questions' and not for in-depth individual pupil discussion. For example, you may have a question around systems, processes, school-based interventions, the Graduated Response, etc.

The support line can be reached on **01473 265502**.

Resource Review

With the 2024 Suffolk TA Network Annual Conference fast approaching, it would be lovely to hear your recommendations for resources and books on this year's theme of dyslexia and dyscalculia.

Have you read a book or blog that has improved your understanding?

Have you listened to an interesting Podcast lately?

Is there a resource you use in school that you would really recommend?

If you have found a good resource/book lately and want to shout about it, please get in touch abigail.joachim@attrust.org.uk.
